Specific- SHAM/BOFIEND Correction of Memo Submitted by the
Royal Albanian Legation, Cairo to Mr. John Foster Dulles

REF: CAIRO 018, dated 13 July 1953

NECA 703, dated 9 July 1953

1. As the reference communications indicate, RNCASING has requested that a correction be made in the memorandum on Albania and her affairs delivered to Mr. John Foster Dulles by the Royal Albanian Legation in Cairo at the time of Mr. Dulles' recent visit to that city. The clause which it is desired to alter is one which reads as follows according to RNCASING's letter, "A neutral government with neutral members should be allowed to be formed in exile, so as to bring unity to all." RNCASING considers this wording senseless and would like to have the clause altered to read, "A coalition government in exile, composed of members of all existing political groups should be allowed to form in exile so as to bring unity to all."
2. It would be appreciated if the above change could be made in the document in question. The undersigned has already informed RNCASING that steps have been taken to introduce this correction.
